

MiniGenius – Complete Project Documentation

This file consolidates all components into one master document: - PRD - Branding & Logo - UI Style Guide - App Icon Guidelines - UI Screens - User Flow - Wireframes - Sticker Pack System - Architecture

1. Product Requirements Document (PRD)

Vision

Create a fun, safe educational mobile app improving children's cognitive skills through mini-games.

Target Users

- Children 4–12
- Parents
- Schools/Nurseries

Core Features

- 6 Mini Games
 - Progress system
 - Rewards & Stickers
 - Ads (banner only)
 - Premium upgrade
-

2. Branding & Logo Concept

- Cartoon brain icon
- Blue + Yellow color palette
- Friendly rounded edges
- Minimal details

Brand Colors

- Blue #4DB7FF
- Yellow #FFE45C
- Mint #5ADBB5
- White #FFFFFF
- Dark #222222

AI Logo Prompt

Create a cute modern kids app logo for “MiniGenius” with a smiling cartoon brain, rounded edges, bright blue and yellow colors, flat vector style, centered icon.

3. UI Style Guide

Typography

- Titles: Fredoka / Nunito
- Text: Poppins / Quicksand

Buttons

- Rounded, bright colors, bounce animation

Icon Style

- Flat vector, thick outlines, pastel palette

4. App Icon Guidelines

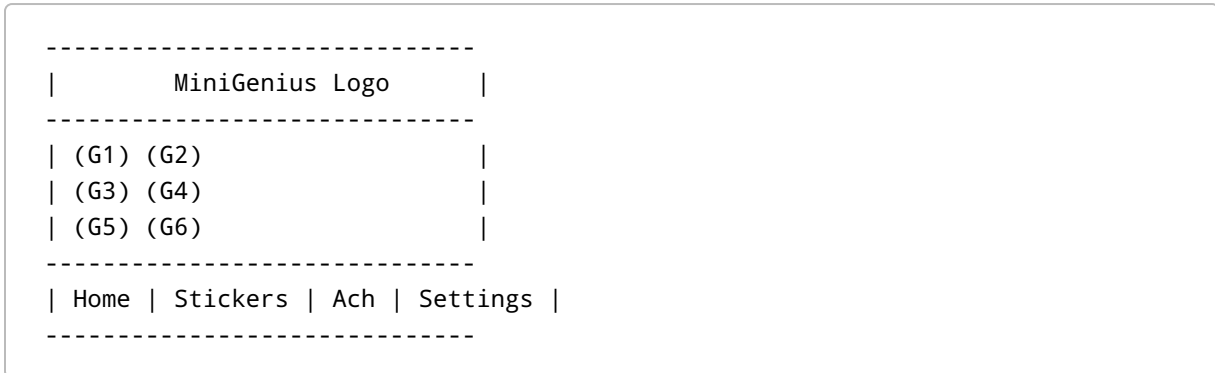

- Square with soft corners
- No text
- Brain centered
- High contrast

5. User Flow

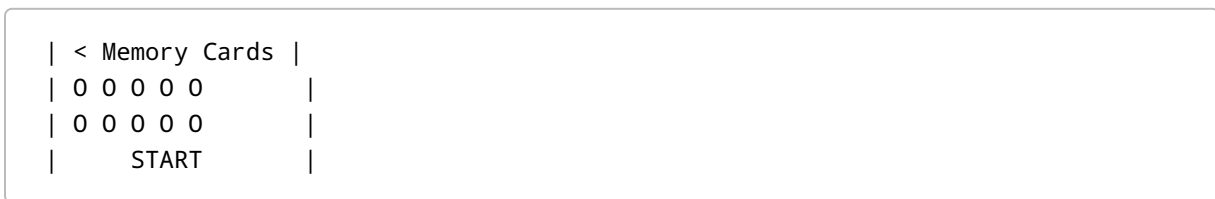

1. Splash → Home
 2. Home → Game Select
 3. Game Select → Gameplay
 4. Gameplay → Results
 5. Rewards → Sticker Album
-

6. Wireframes

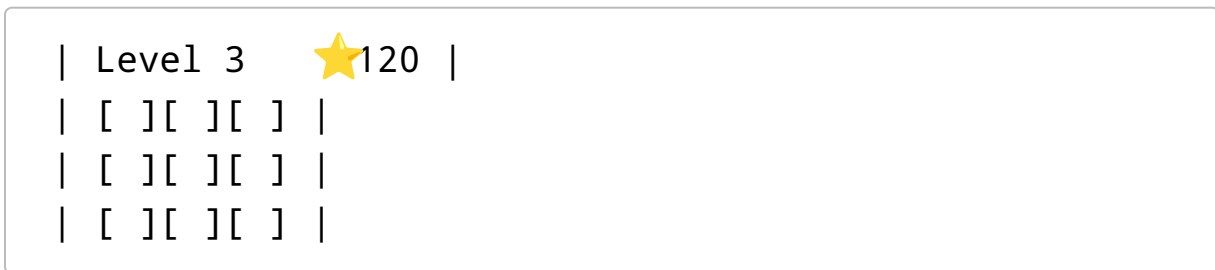

Home

Game Select

Gameplay (Memory Cards)

7. UI Screens Overview

Includes: - Splash - Home - Game Select - Memory Cards - Find Difference - Shape Match - Results - Sticker Album - Achievements - Settings - Daily Gift

8. Sticker Pack System

Stickers

- Happy Brain
- Thinking Brain
- Winner Brain
- Stars, trophies, badges

Style

- Bright colors, thick outlines
 - Works at 128–512px
-

9. Technical Architecture (Flutter)

```
lib/  
  core/  
  data/  
  features/  
    games/  
    stickers/  
    achievements/  
  services/
```

Notes

- Modular mini-game structure
 - Offline storage
 - Firebase analytics
-

10. AI Prompts for UI Creation

Splash Prompt

```
Create a kids app splash screen with MiniGenius logo, blue gradient, playful stars.
```

Home Prompt

Design a home screen with 6 colorful round icons, blue gradient, child-friendly.

Gameplay Prompt

Create a 3x3 memory card grid with rounded pastel cards.

END OF DOCUMENT

This master file contains the complete system needed to design, build, and publish MiniGenius.
